

# Kartenspiel Possessivpronomen

---

## Anleitung zum Kartenspiel mit Possessivpronomen:

### Vorbereitung:

1. Drucke das Spiel.
2. Laminieren Sie die Spielvorlage und die Spielkarten.
3. Schneiden Sie die Spielkarten aus.

### Tipp:

Bei großer Kursstärke sollte das Spiel mehrfach angefertigt werden.

Teilen Sie den Kurs in Gruppen mit jeweils vier bis sechs Teilnehmern. Jede Gruppe erhält:

- eine Spielvorlage
- ein Lösungsblatt
- einen Stapel Karten mit Possessivpronomen, die auf das blaue Rechteck gelegt werden
- einen Stapel Karten mit Nomen, die auf das orangefarbene Rechteck gelegt werden

### Ablauf:

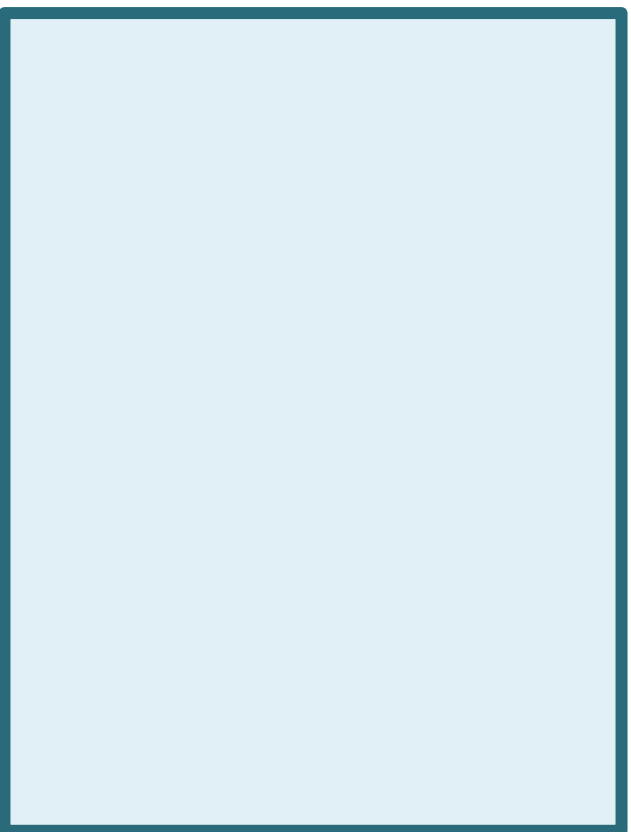

Ein Teilnehmer beginnt. Er zieht eine Karte vom blauen Rechteck und eine Karte vom orangefarbenen Rechteck. Nun muss der Teilnehmer entscheiden, wie die richtige Form des Possessivpronomens lautet, damit es zum jeweiligen Nomen passt.

### Ein Beispiel:

Der Teilnehmer zieht vom blauen Kartenstapel das Possessivpronomen „mein/meine“ und vom orangefarbenen Kartenstapel das Nomen „Schere“. Daraufhin bildet er die richtige Form „meine Schere“. (Außerdem sagt der Teilnehmer, welches grammatische Geschlecht das Nomen hat – in diesem Fall weiblich.) Für die richtige Antwort darf er die Nomen-Karte „Schere“ behalten. Die Possessivpronomen-Karte wird zur Seite gelegt.

In Zweifelsfällen kontrollieren die übrigen Spieler die Antwort mit Hilfe des Lösungsblattes. Ist die gebildete Form falsch, muss der Teilnehmer die Karten wieder in den entsprechenden Stapel untermischen.

Der Teilnehmer mit den meisten Nomen-Karten gewinnt.
